Woodlawn High School

Baton Rouge, Louisiana

1966

AS WE LOOK UP . . .

Our school was started in 1888 as Rosedale School. It had one teacher, Mrs. Hillman, who taught all grades, ages six through eighteen.

The little school met in several different places before the consolidated school was built in 1911. For the first time a session of school was held at the Seventh Ward School. Serving as school busses were covered wagons.

In 1916 the Seventh Ward School became a high school. The first seniors graduated in 1919. The principal was Mr. A. F. Boyd. In 1922 our present principal, Mr. G. A. Delafield came to our school.

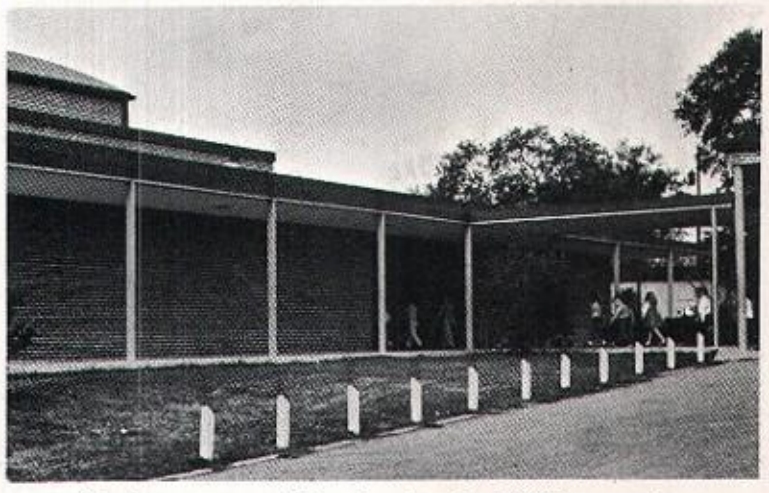
At the end of WWII the ward was changed to Third Ward. The name Woodlawn was chosen. We got our first set of new and modern buildings in 1945 and there were 286 students enrolled.

Since then our faculty has doubled and our enrollment is five times what it was. New cafeteria, gym, stadium and classrooms have been added.

The old high school

The old elementary

The new gym was completed.



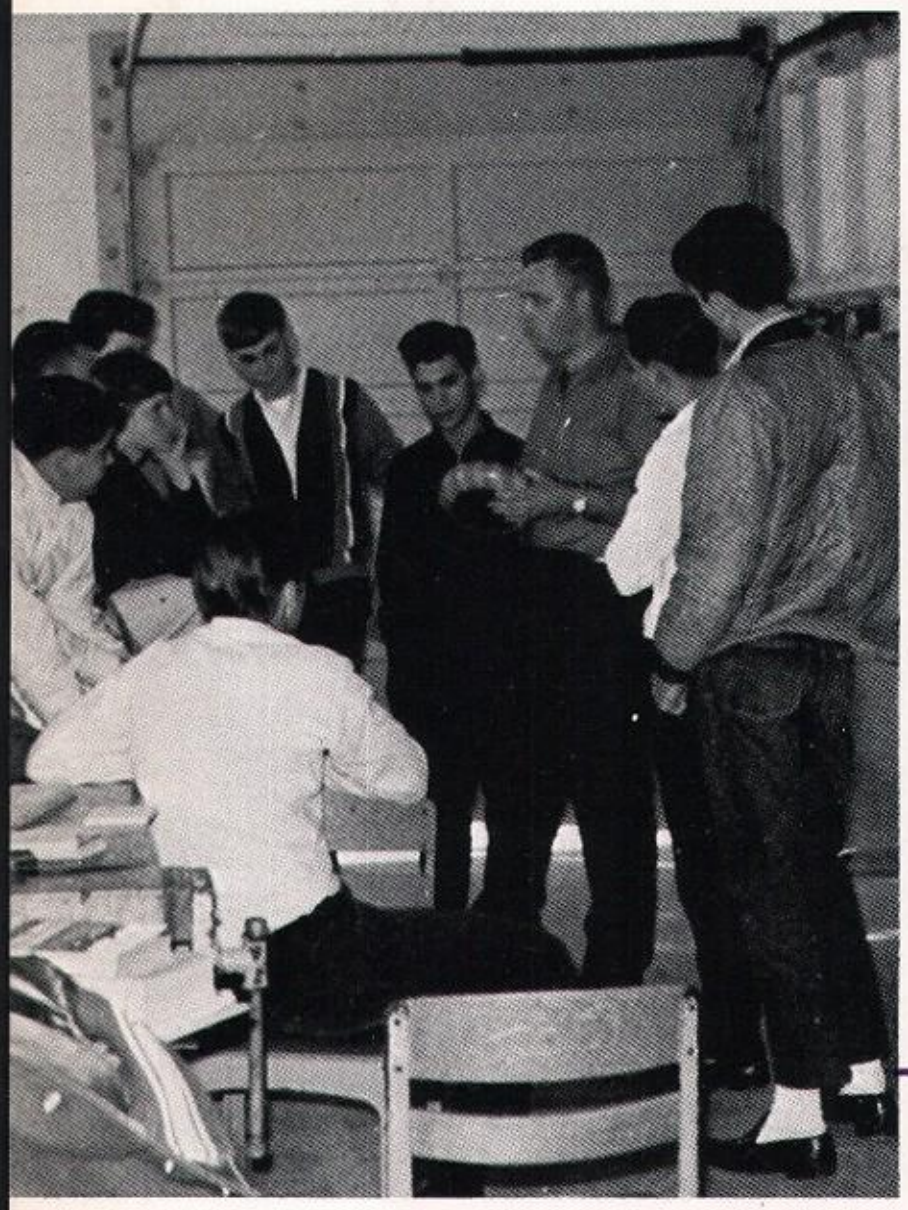
Today our cafeteria feeds 1300 people

These are the students that will help Woodlawn grow to even greater heights.

WE SEE KNOWLEDGE

Woodlawn is striving upward in all areas. This year each of our academic departments have grown.

Our science department now has five instructors. Students are well-prepared in high school to go into more extensive studies of general science, biology, chemistry, and physics.



Shop classes enhance the curriculum.

Homemaking is vital to good living.

Student-teacher relationship is essential.

Science experiments teach and entertain.

TO BE SOUGHT . . .

On the staff in the math department are six excellent teachers. They teach general math, geometry, algebra, and advanced math. Business math is also taught.

Six faculty members make up our English department. The students are made ready for the business world or for college.

The social sciences are also headed by six teachers. Pupils are taught about the past, the present, and the future of culture and forms of government.

Under the four main departments come physical education, home economics, music, industrial arts, business, speech, and foreign languages.

For every student, Woodlawn tries to provide a specific field of study.

Bookkeeping prepares us for the business world.

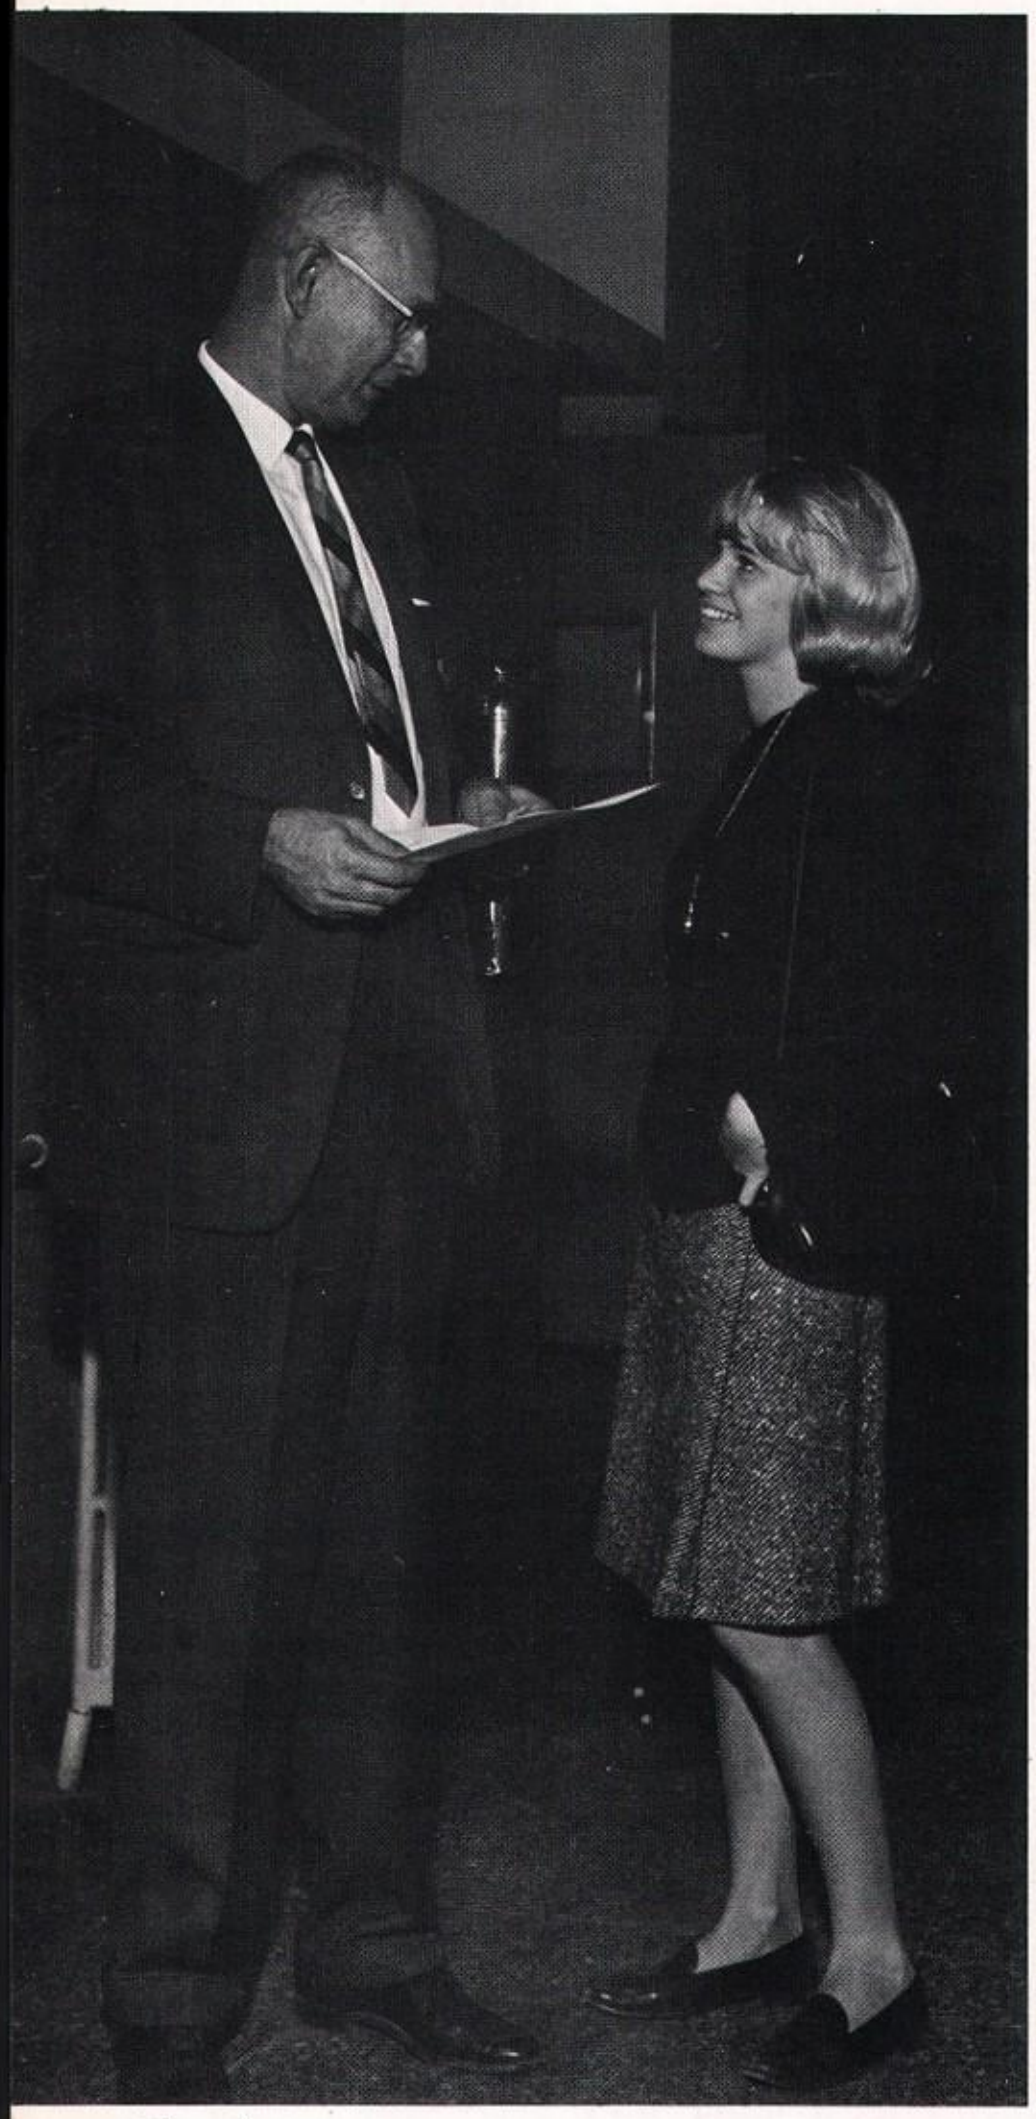
Imaginations are developed in reading.

Math classes improve our minds.

Foreign languages enrich our lives.

The library opens new worlds to us.

FRIENDS TO BE MADE . . .



The administrators take a personal interest in each student.

Longtime friendships began in grammar school.

The students and faculty at Woodlawn are proud of the friendly atmosphere and the student-teacher relationship on our campus.

Unlike larger schools, everyone at Woodlawn remains on the 'first name basis'. When a student transfers to a new school, he often finds out all the rules and regulations. At Woodlawn, he also finds many new friends and quickly recognizes the school spirit and friendliness that we take pride in.

A friendly atmosphere prevails over the campus.

EXPERIENCE TO BE GAINED . . .

Clubs and organizations are important in our activities.

The students look forward to the F.H.A. Beauty Pageant, Beta talent show, Senior Y-Teens Boy's Pageant and Drama Club productions.

F.T.A., Audio-Visual Aids Club and F.B.L.A. provide experience in teaching, working audio-visual equipment, and business for their members in addition to serving the faculty.

Who can imagine a sports event without the boosters, band and majorettes, pantherettes, and cheerleaders.

Our Student Council joined the State Association this year.

The Junior Y-Teens, Beta and Boosters plan activities and lend team support to the Junior High Department.

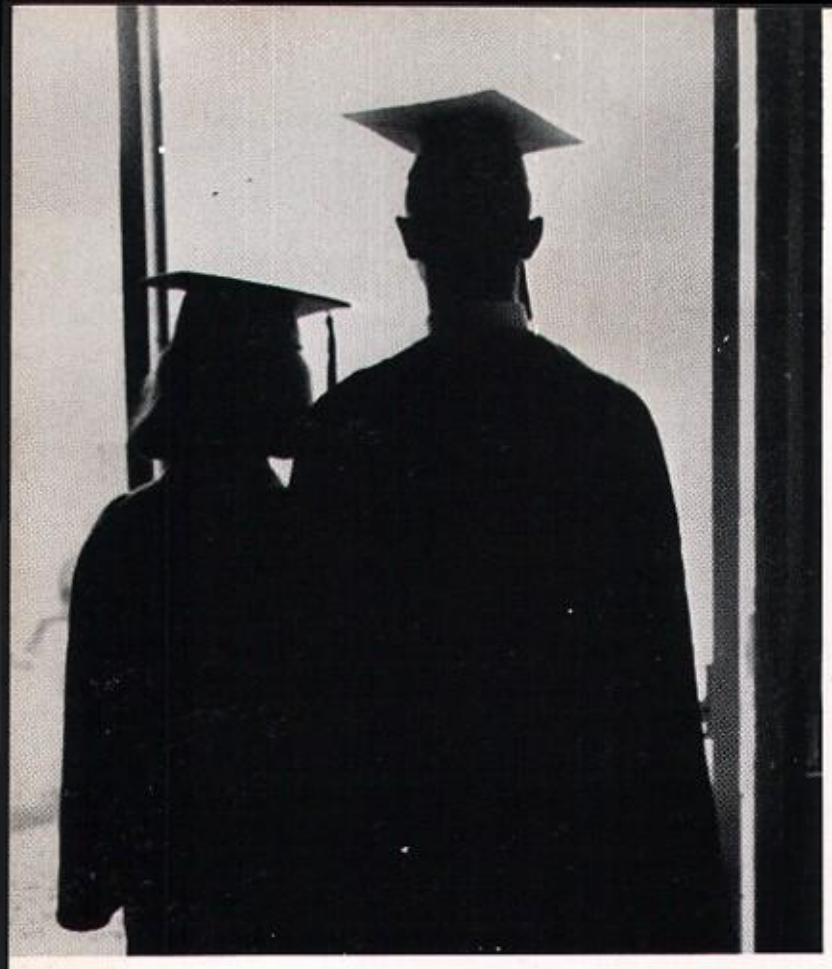
As our school grows, so will our clubs.

New friends and new ideas are exchanged in city-wide Y-Teen project.

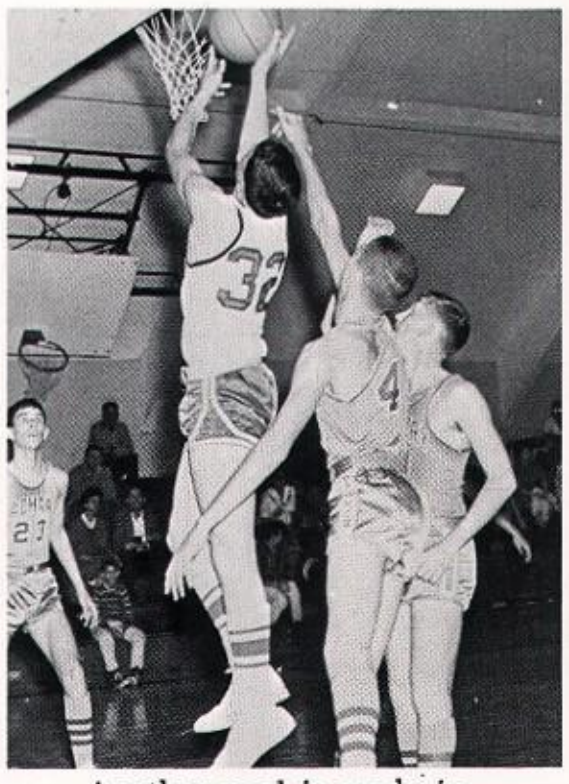
1. A Beta Club committee works on their annual talent show.
2. F.T.A. Girls assist when teachers are absent.
3. The Key Club works closely with the Kiwanis, earning points in their division.

2.

3.



The goal of all students is graduation



Another goal is made in basketball.

GOALS TO BE

Linda Stuart played in the All-State Band.

Everyone struggles to make good grades at test time.

Sandre Dawson has won many prizes in 4-H.

F. H. A. girls prepare the stage for the Beauty Pageant.

The winning goal is scored.

CONQUERED . . .

In physical education girls develop athletic abilities.

With six wins and four losses in football our team placed second in district. Our basketball team this year is a young team. . . one which lacks depth but is building. The track team becomes better each year. Last year they placed second in the district meet.

Woodlawn clubs are known throughout the area. The Key Club placed third in silver division in the Lamisstenn district. Senior Y-Teens received honorable mention on their scrapbook in a city wide competition. In Junior Beta, Connie Miley was elected a District Officer.

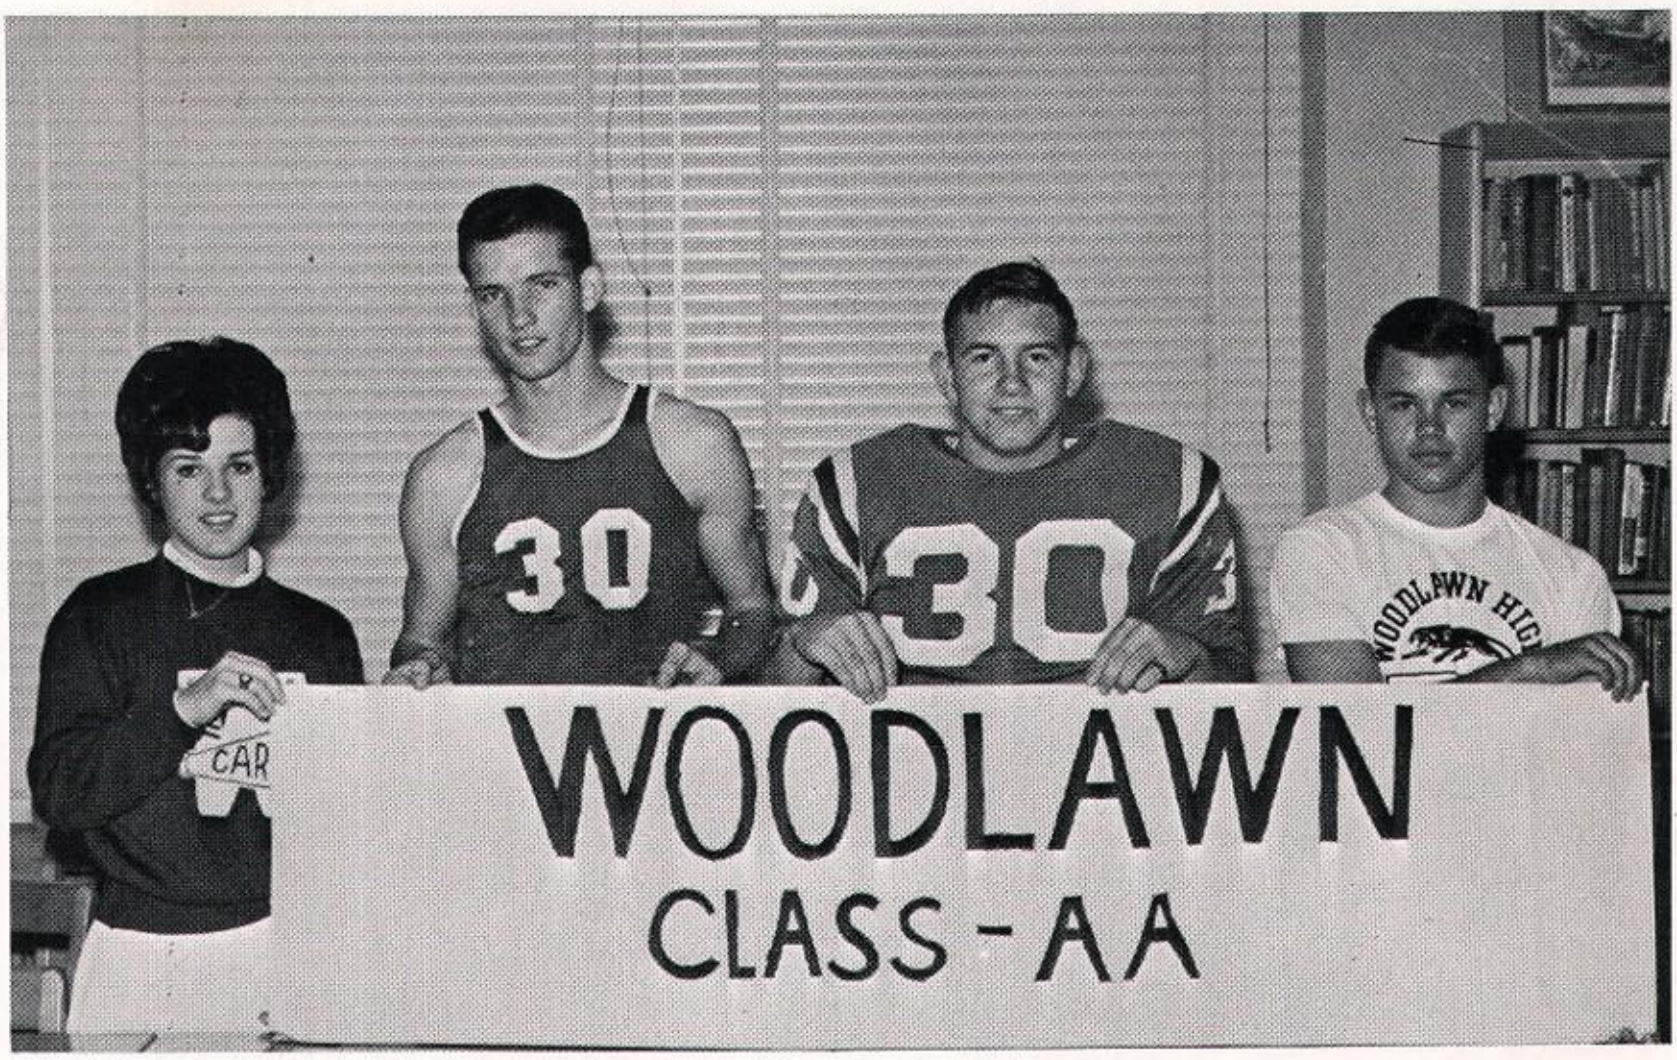
The boys work together to increase their physical stamina.

INSPIRING US TO GREATNESS

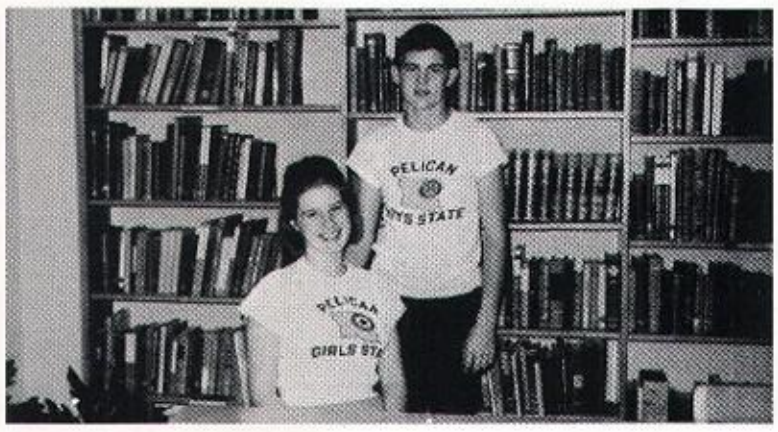
Our basketball team won State Championship for 1964-1965.

To supply student need, the library was enlarged.

Woodlawn has now moved up to Class-AA, showing our increased enrollment.



THROUGH ACHIEVEMENT



Kathy Rolston and Denny Hinds accomplished many goals at Pelican Girl and Boy State.

Shelia Carozza received the D.A.R. Award.

All the things that make up school - the academics, clubs, friends, honors, and cooperation give everyone at Woodlawn, students and faculty alike, the opportunity to make many achievements in many ways.

Just as many small colored threads make up a great tapestry, the numerous facets of our school life are all combined to make us better individuals...

As no one thread alone can make tapestry beautiful, neither can one small achievement make us great people. It takes all of our minute accomplishments together to make us better people. And it takes the achievements of the student body and faculty to make Woodlawn High School a school we can take pride in.

We come and we go, but we never take our school for granted. We have worked hard to make it what it is.

THE GRADUATING CLASS OF WHS PRESENTS THE 1966 ECHO TO MR. HARRY LUTHER HENSON

We, the graduating class of 1966 dedicate this annual to Mr. Harry L. Henson. Throughout his ten years of teaching at Woodlawn High School, he has aspired to stimulate and influence the students to seek a better place in society. In return, he has received a better insight of the minds of teenagers which he hopes will help him to raise his children.

Mr. Henson's continuous efforts to gain knowledge have set an example which we seniors hope to follow. In 1956 he received his Bachelor of Science from Southeastern Louisiana College, in 1960, his Masters of Education at Louisiana State University, and this summer will obtain his Master of Science from Louisiana State University.

Mr. Henson is also a family man. He and his wife, Gerry, have been married twelve years and have three boys--Dwayne, Kevin, and Chris ages 9, 6, and 1 respectively.

We thank you, Mr. Henson, for your guidance, encouragement, buoyant personality, and jovial disposition. These traits have helped to make our days at Woodlawn memorable.

WOODLAWN ALMA MATER

Hail to our Woodlawn
All hail to thee
Fond ties of friendship
Fill each memory

When e'er we leave thee
School of our youth
We'll ne'er forget thee
For thy guiding truth

Proudly we wear thy
Purple and White
Fight for each victory
With our strength and might

For thou hast prepared us
Each step of the way
To live and to grow
In our world today

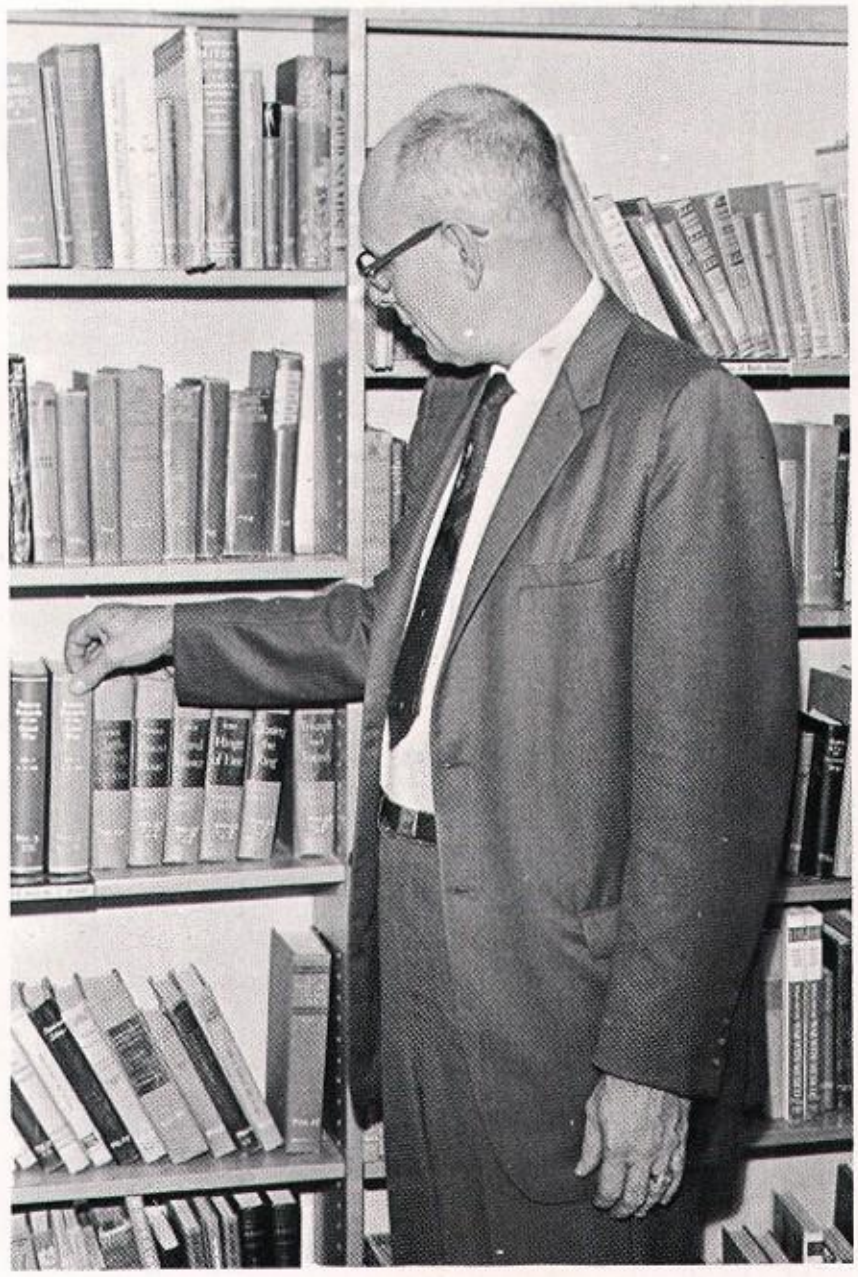
ADMINISTRATION

PRINCIPAL'S MESSAGE

I take this opportunity to express the appreciation of the entire school for the work of the Annual Staff and their sponsor in producing another fine yearbook. Working together we have achieved a great deal of success during this school year. This book, I think, will serve as a medium that will permit you to recall the many activities of Woodlawn High School for the 1965-66 session. As life lenghtens these activities will become a treasured memory.

I congratulate the Echo Staff and the sponsor for a job well done. It is hoped that participation in the activities shown throughout the Annual have helped all of us to attain the goals of good citizenship so desired.

Glenn A. Delafield



MR. GLEN A. DELAFIELD
Principal

Mr. Delafield is most at home with the students of Woodlawn.

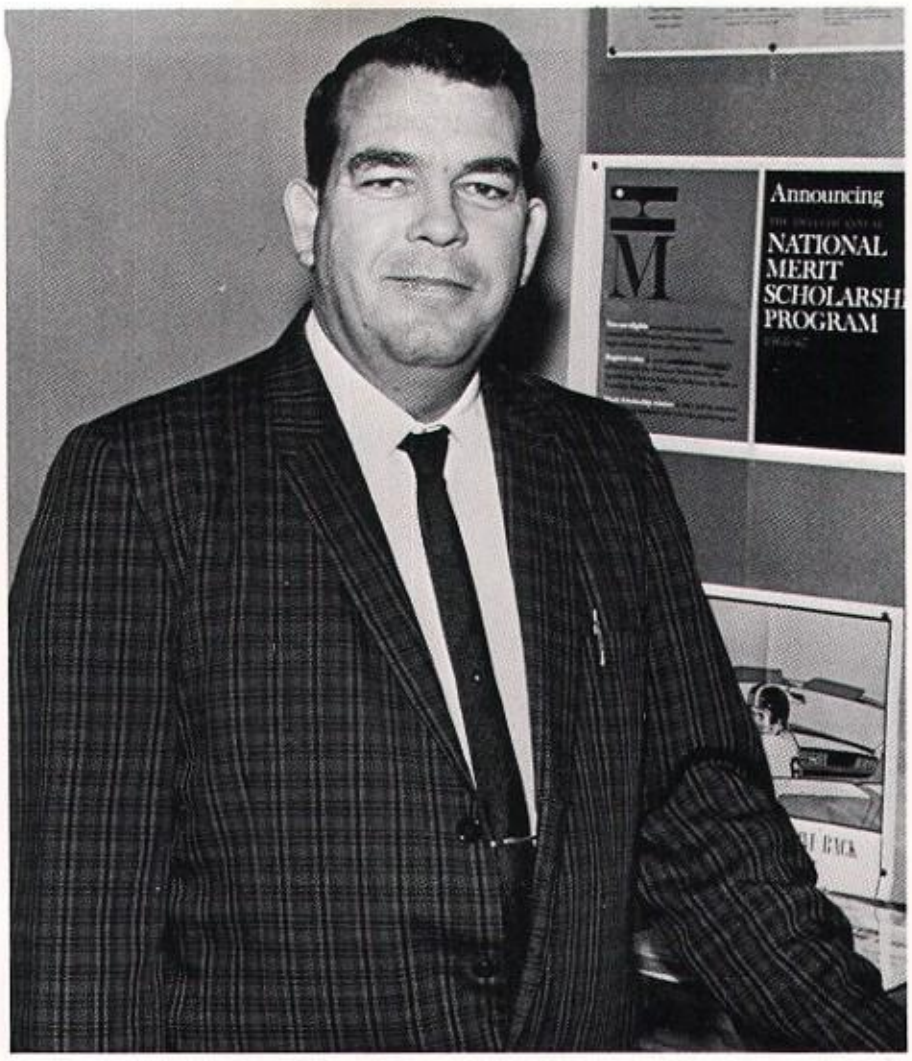
W. D. QUINN
Assistant Principal

The years hurry along and we in the administration are conscious of the growing demands upon our students. Every year the curriculum is expanded, and happily we find that Woodlawn students are eager to take advantage of the new opportunities. It is gratifying to review the records of our students in every phase of school life, both here at Woodlawn and in the world beyond. The future looks bright to us when we see the preparation for future useful citizenship among our own students.

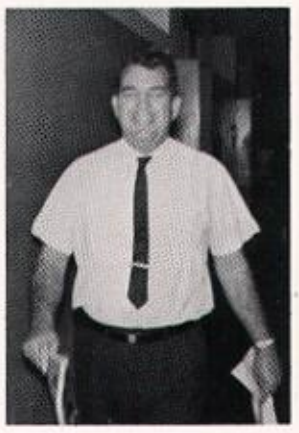
To our departing seniors, we wish for you the very best as you go forth to meet the challenges of life and to take your place in society.

To the sponsor and staff of our yearbook, you are to be commended for another superb edition of the Echo.

W. D. Quinn



MR. A. B. SIBLEY is Woodlawn's very able and conscientious guidance counselor. Always on the job, Mr. Sibley can be found in his office or out testing in the various classrooms. His job is most demanding--consisting of counselling, testing, and record keeping.



MRS. COOK has been our secretary for many years. She commands most clerical and bookkeeping duties. Without her charming personality and efficiency, the office could not be the smooth running center it is.

MRS. TOUCHET has been with us only one year, but the students have already learned to love and appreciate her. Her cheerful disposition and winning smile have added much to the front office this year.

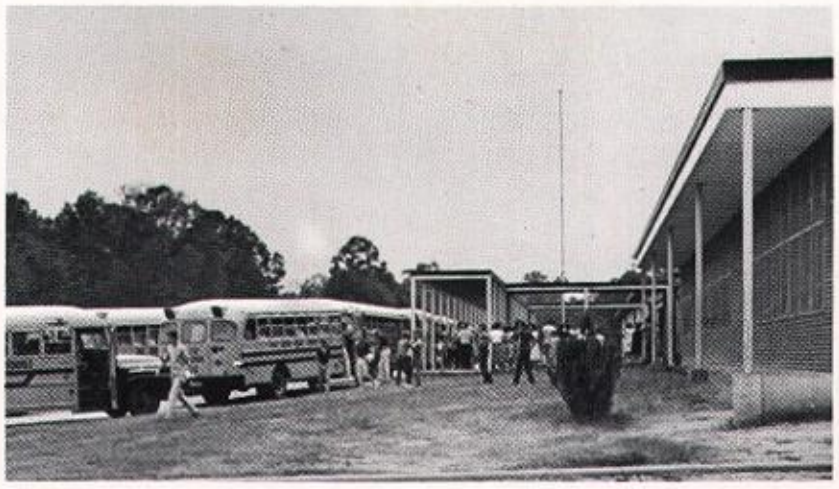
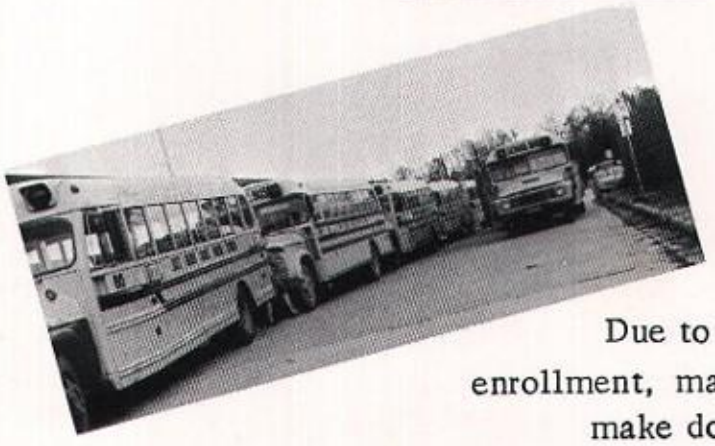
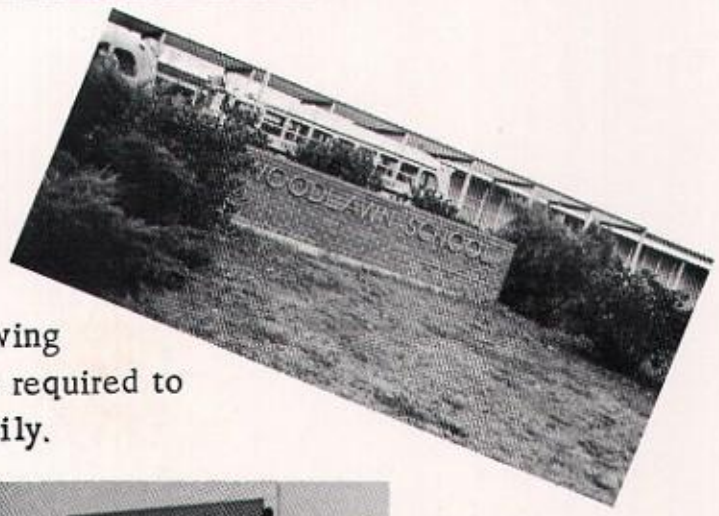
BUS – CUSTODIAN – AND CAFETERIA SERVICE

Bus transportation is an intricate part of our school system.



Ninety-five % of our student body come to school daily by bus.





Due to our fast growing enrollment, many buses are required to make double runs daily.

Ira, our janitor, always on duty.

Mr. Hagler, Custodian, manages school maintenance.

Our students are provided with hot, wholesome lunches daily.

Cafeteria workers serve almost 90% of students.

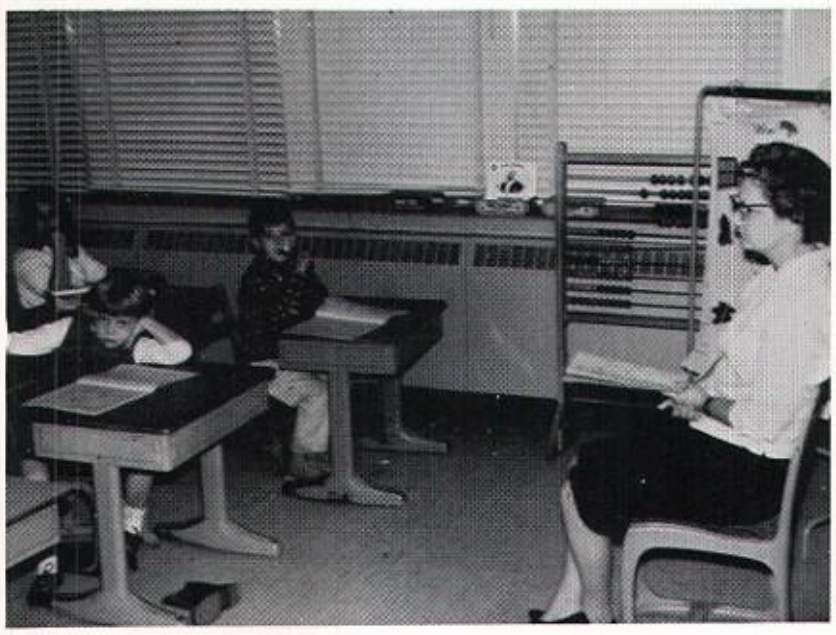
I told you the balloons wouldn't hold up the ceiling.

Senior hang-out.

Cheer up, it's not that bad.



She thinks I'm listening, but I'm not

That's my ball!

Hup, one, two, three...

Watch it!

Are we supposed to be able to see through that?

I didn't think that was funny.

Everything that goes up has to come down.

I love my typewriter!

My mother, the car!

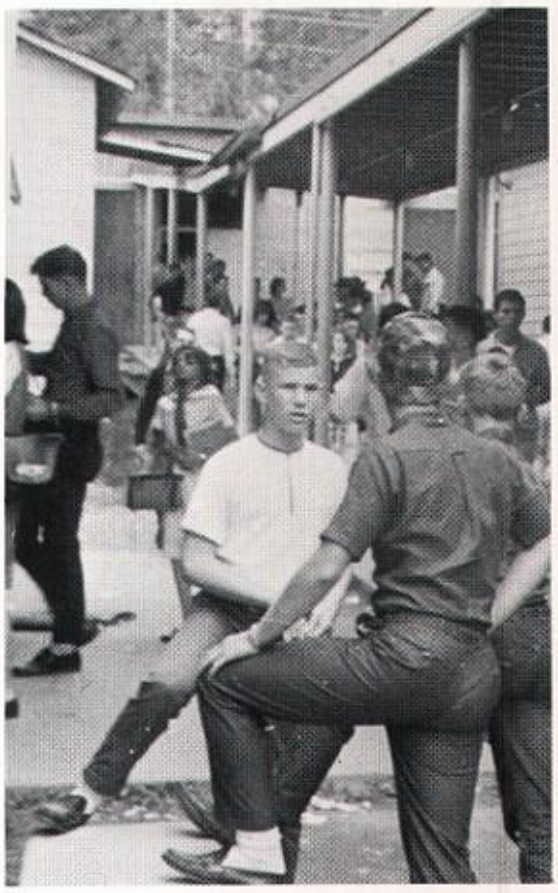
Now, what's your problem?

Wish I had legs like that!

Boy, some people are dumb!

Look who just walked in.

Look, we do it my way.



Get your feet off the bench.

I'm stuck!

They can't be winning!

Another mistake! Ugh!

"And now for tonight's weather."

"It's not a Michelangelo.

the great pictorial
book it is.

CAMPUS LIFE

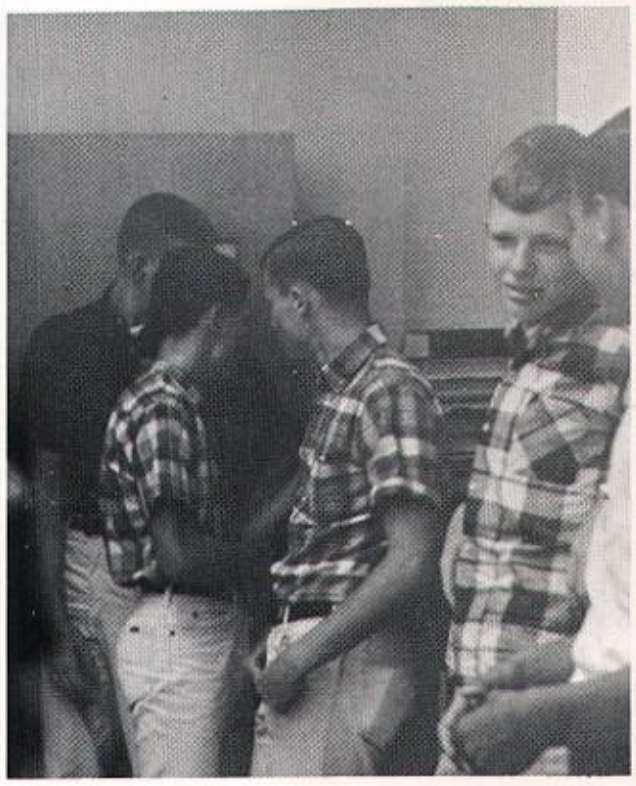
The redhead's in his locker.

I just got out of that locker.

Do you see the resemblance?

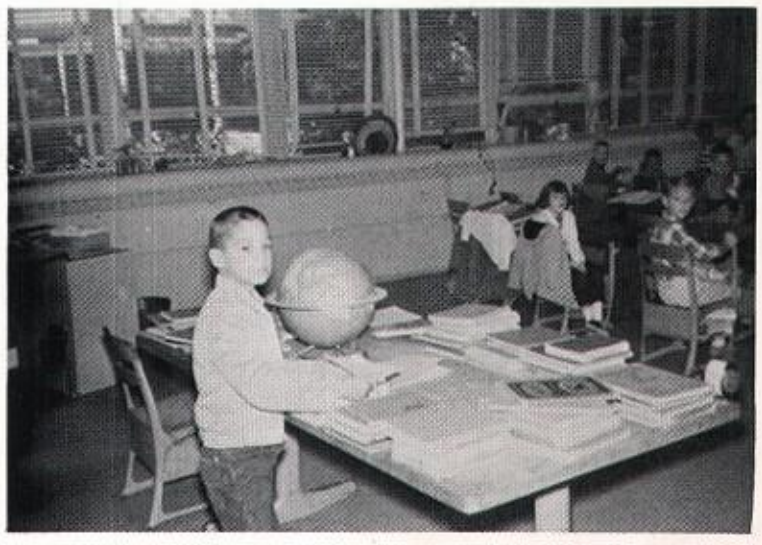
Borax - in new Fab?

I saw the "bunny"!

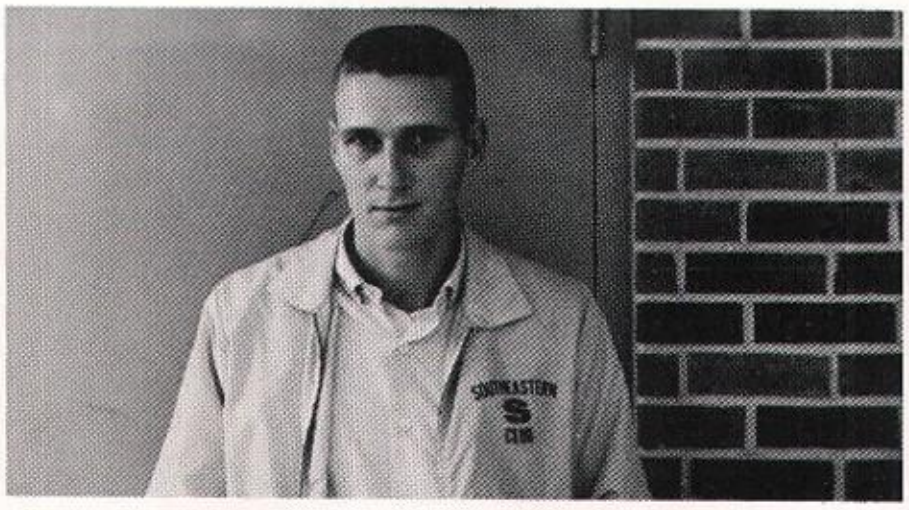


The salesclerk said it was the only one of its kind!

Mr. Burkette's "Poverty Case"

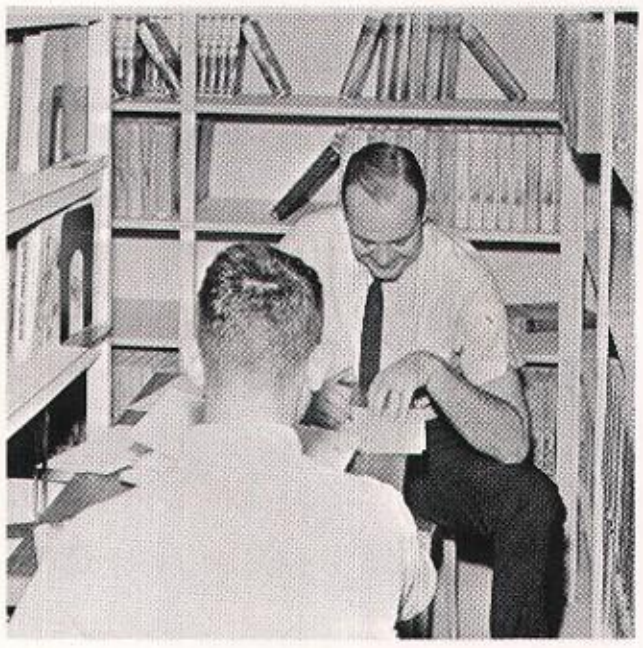


What do you mean - interrupting my class?

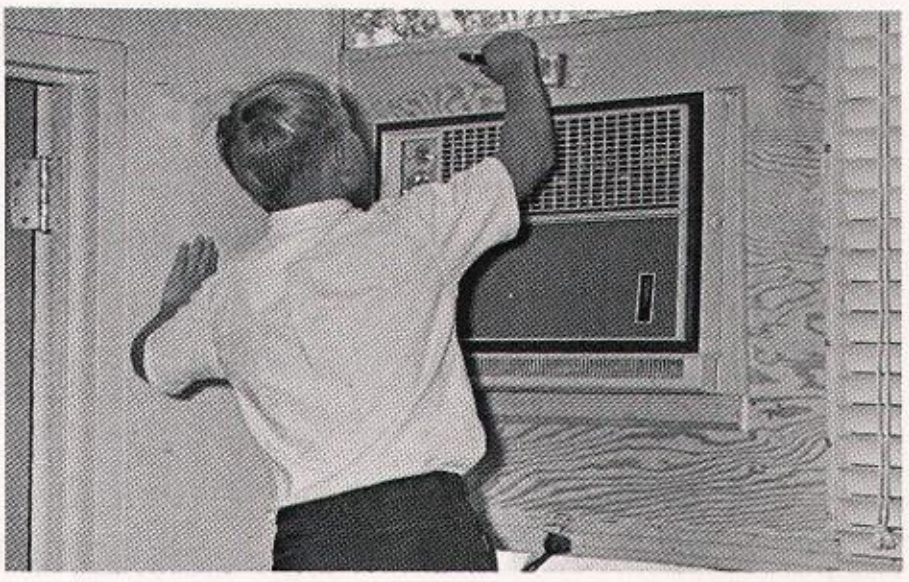


Book him!!!

Romeo and Juliet



This room is entirely too small for my class...



Industry on parade....

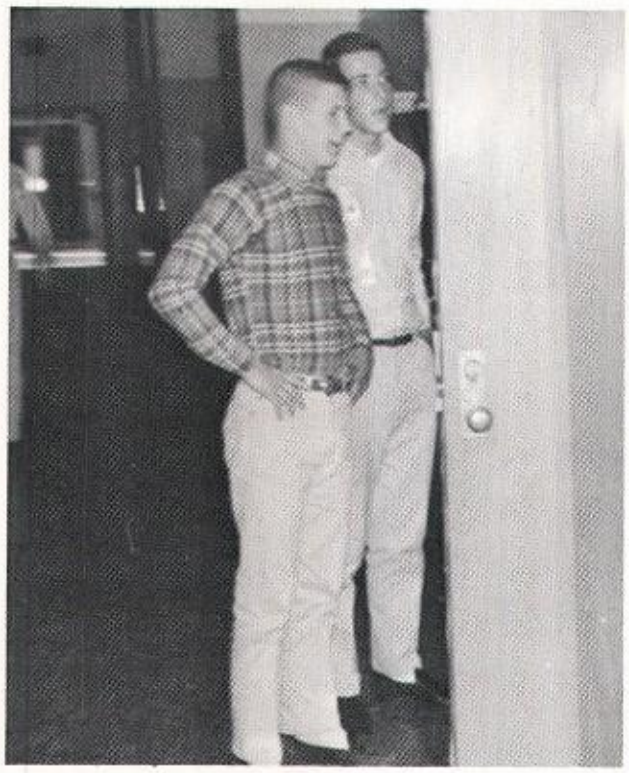
Jackie, did you really do what the paper says????

Now aren't we studious.

Pistol Packing Mama

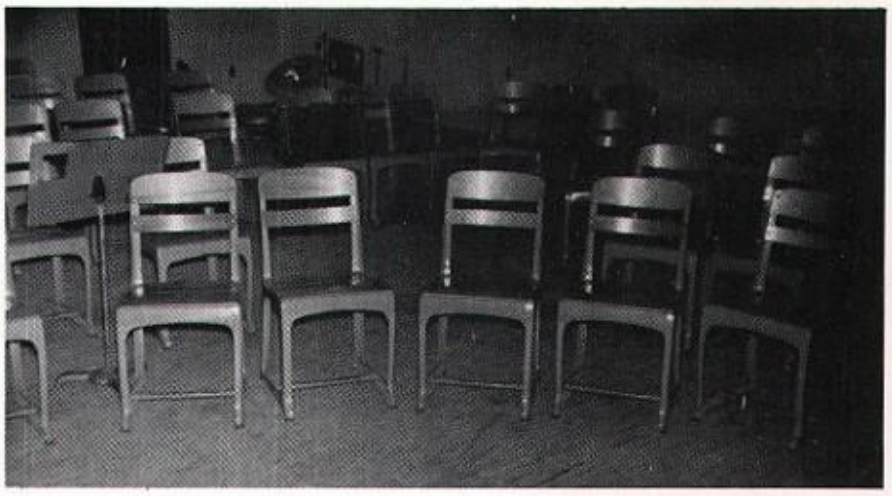
Are you speaking to me?????

Who's patrolling the halls.

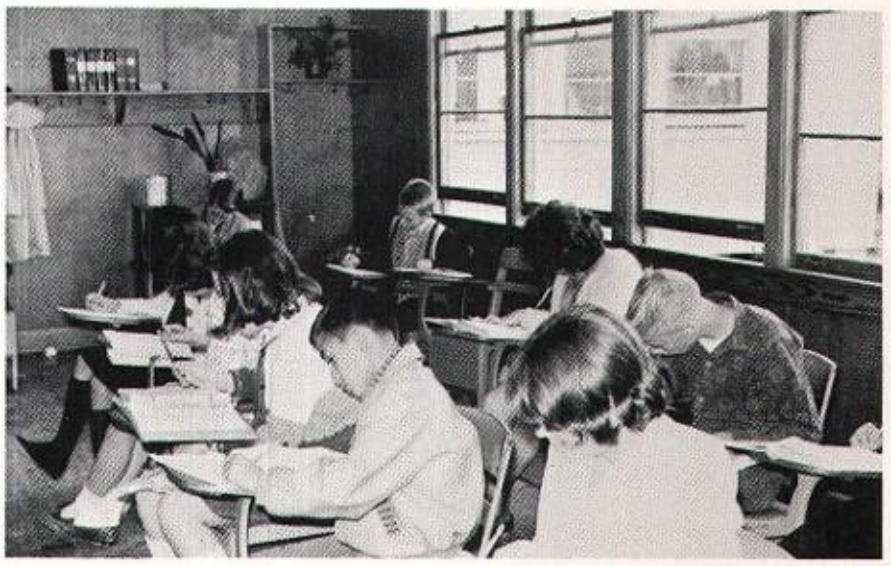


What's behind the door, boys??

You've got to be kidding.



Miller's musical chairs. . . .



Where is the potbellied stove???

Two heads are better than one. . . .

I can't find my bubble gum. . .

Blondes do have more fun

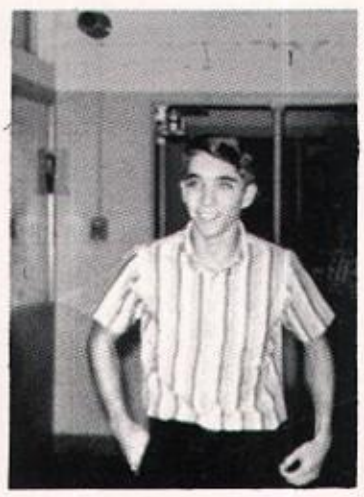
BEHIND THE SCENES WITH THE ECHO STAFF . . .

You can't possibly mean we have to mail out 50 pages today!

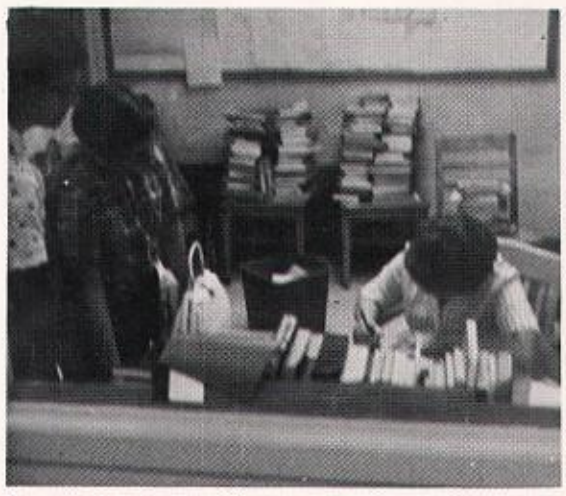
It's deadline time. . . .

Campus photography, it's a cinch!

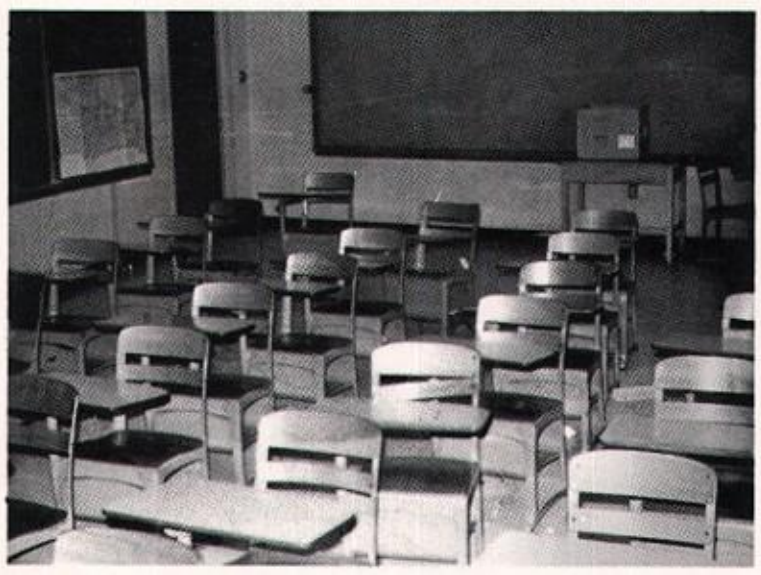
Mrs. Craig, I did too finish my pages.



Our bookkeeper!



We sell Echoes anytime.



They all went to pick up their Echo

Autograph my Echo. . . . please.
